Remarks: Beautiful deep lot that runs to Worthington Creek. Large eat in kitchen with built in china cabinet, window seat with storage, two closets that could be pantries and a pass thru to the formal dining room. The basement has a second 12 x 12 kitchen and a family room. Extra wood burning stove. Foyer area on the second floor could be used as office or cozy reading nook. Outback you will find a two story 26 x 36 building with two garage doors. Building has water, electric, phone and furnace. Would make a great workshop or man cave.
